

The fall semester is in full swing, and plenty of great things are happening at the University of La Verne.

I am most excited to invite you to our first-ever [Game On! Fall Weekend 2020](#), taking place October 16–18. Since we can't gather in person this year for our usual football game and tailgate party, we decided to bring the games to you. Game On! is an engaging collection of virtual activities designed to safely bring our entire Leo community together for some fun, some friendly competition, and opportunities for career networking and personal improvement. Keep reading to learn more and sign up!

Getting creative in the virtual realm is definitely where it's at these days, and so it is that our annual [Golf Tournament](#) fundraiser is also going virtual. [The Red Hill Country Club](#) has generously allotted us a five-week period during which you and your foursome can sign up for a safe, socially-distanced round of golf to benefit the university. Scoring will be done virtually, and while there won't be a dinner, there will still be prizes! More details below.

I hope to see you at one or more of these wonderful upcoming events. Until then, stay safe and stay strong.

ULV Golf Tournament Goes Virtual

“What about golfing during the pandemic?” The answer is yes, with accommodations.

Our partners at [Red Hill Country Club](#) are generously making available a variety of tee times during the window of November 3 through December 12 so that we can still host this important fundraising event to support student scholarships. Gather your foursome and sign up for a great day on the course—safe and socially distanced of course! Scoring will be done virtually, an awards ceremony will be held via Zoom, and prizes will be shipped to winners. Tee times are first come, first served, so register early for best selection!

Alumni Shoutouts

Our alumni are in the news so much, it's hard to keep up. This month we want to give shout-outs to not just one, but three alums who have recently been recognized for their achievements. [Dr. Omar Torres, EdD '20](#), has been named the new Chief Instructional Officer at College of the Canyons; Chapman University football coach [Bob Owens '70](#) has led his team to a top-10 national ranking; and [Dr. Michele Hodge, EdD '18](#), is now a candidate for the board of trustees of the Mill Valley School District. Find a Leo Mentor

Oprah Winfrey put it beautifully when she said, "A mentor is someone who allows you to see the hope inside yourself." This month we are all about mentors. [Leo Connect](#), our private online alumni networking platform, can recommend a Leo mentor for you, or you can choose one yourself among the hundreds who have volunteered their expertise. Watch this [short video tutorial](#) to learn how. In addition, we'll be holding a [Meetup with Alumni Mentors](#) session as part of [Game On! Fall Weekend 2020](#).

Alums Save Money on GEICO

"By switching to GEICO, I was able to save \$720/year on my insurance rate. Fifteen minutes really could save you 15% or more with GEICO's ULV discount." –Danielle Anderson '16

Several of our alumni have testified that the savings we get on GEICO Auto Insurance as a benefit of our [alumni network membership](#) are real! Don't miss out on the opportunity to pay less and get more insurance. Visit this [special ULV page](#) to see if you qualify.
